++ Valid for broadcast between 0600 and 1800

Headline:
Mostly cloudy with a few light showers.

Today:
A mostly cloudy day with the odd light shower, the best chance of any brighter spells across more southern parts of both Shetland and Orkney. The northerly breeze will be fresh at times, especially across Shetland. Maximum temperature 15 deg C (59 deg F).

Tonight:
Remaining mostly cloudy with a few light showers through the evening and overnight, although the showers may become more frequent across Shetland later in the night. Occasionally fresh northerly breeze. Minimum temperature 9 deg C (48 deg F).

Saturday:
A rather cloudy morning with occasional, mainly light showers. The showers become fewer and further between through the afternoon with bright or sunny spells developing. Cool, occasionally fresh northerly breeze. Maximum temperature 14 deg C (57 deg F).

Outlook for Sunday to Tuesday:
Sunny or clear spells and a few showers through the coming days. The northerly or northwesterly breeze eases through Sunday and Monday before turning southerly on Tuesday.
